Historical Member receives Eagle Scout Award

On July 30th, I had the honor and privilege of attending the Eagle Scout ceremony for Jesse Culp. The Eagle Scout is the highest award in Boy Scouts. The main speaker indicated that when this one company looks thru their pile of applications for a job, they almost always interview those who say on their application that they were an Eagle Scout. If you will recall, Jesse received the "H.C. "Joe" Harned Historical Scholarship this past spring. We are really proud of this historical member. ---Ron Schaeffer

NOTES RECEIVED

Really enjoyed the last issue especially the discussion of the Hyatt ancestors. Mine is Meshach Hyatt. It was very interesting.

~All the best, Betsy Hill

Pumpkinfest Weekend

Thanks to all who helped make it a great success!

Thanks to all who donated bake goods and volunteered to make this a success. We had many people in the building to look at exhibits and ask lots of questions.

To the right is a photo of Gabe Barlow. Not only did he get Mona Tissue's Victrola working again, he brought some of his own 78-rpm records and played them on Saturday at Pumpkinfest and talked to people about the Victrola. Thanks Gabe!
